Hi Dale: could you confirm that you are the TPM for the Oglala Sioux?

If so, I will include you for review of our Draft Communications Strategy in support of the above draft permit actions we will be taking next week (8/26/19). These permits were issued for comment in May, 2017, and we are re-issuing the draft Class III and V permits for additional comment this month. Accordingly, the current draft version of our Comm Strat is very similar to what we prepared two years ago.

Thanks,

Douglas Minter
